PROFILE

AI creative, director and Head of Post Production at OML with an editing career spanning 2011-present. Led creative direction and post-production for Charged PRO's Run Riya Run: 9 episodes and 27 reels delivered in 45 days; the series reached 8.6M+ views. Combines hands-on generative workflows with editorial craft and leadership of six editors and two AI artists across four divisions.

CORE EXPERTISE

AI video pipelines | Direction | Capability demos | Prompt systems | Image-to-video workflows | Model selection | Editorial storytelling | Team leadership | Quality control

PROFESSIONAL EXPERIENCE

Head of Post Production | Only Much Louder (OML)
2023-Present

- Lead six editors and two AI generation artists across Artist Management, OML Studios, 1862 and MO.
- Hired four versatile editors for digital video commercials, branded reels and artist promos; oversee two senior editors dedicated to client IPs.
- Allocate work by team capacity and engage remote freelance specialists; oversee approximately 5-15 videos per month, depending on workload, from sync to final delivery.
- Created an anime action pitch demo in one day using Claude, Nano Banana and Kling, demonstrating AI production capabilities and winning the company the Run Riya Run pitch.
- Led creative direction and post-production for Run Riya Run: the team delivered 9 episodes and 27 reels in 45 days; series reached 8.6M+ views (Nov 2026).
- Directed and edited selected episodes; collaborated with an AI artist on character/location sheets and oversaw SFX, music, human dubbing and colour grading.

Senior Video Editor | Prime Focus Technologies
2017-2023

- Edited Star Sports promos, combining footage, music, sponsor integration and sports statistics to meet client briefs.
- Worked across Premier League, Hero Indian Super League, Formula 1, Wimbledon, French Open and US Open content.

Freelance Video Editor | Only Much Louder
2017

- Delivered long-form shows and promotional assets for five clients within six months.
- Edited work featuring Zakir Khan, Biswa Kalyan Rath, S. A. Aravind, East India Comedy and Neville Shah.

ERIC PEREIRA
AI CREATIVE | DIRECTOR & VIDEO PRODUCER

EARLIER EXPERIENCE

Post Production Manager | Grooverabbit Productions
2013-2016

- Hired and managed editors, graphic designers, production crew and interns across multiple projects.
- Oversaw editing, sound, graphics, compression and final masters; contributed creative input in pre-production and production.

Video Editor | Streetlight Films
2013

- Edited corporate films and final masters; served as assistant editor on Strugglers.

Junior Video Editor | No Nonsense Productions
2011-2013

- Edited behind-the-scenes films, photoshoots, events and digital content.

SELECTED AI WORK

Run Riya Run | Charged PRO
Creative direction and post-production lead; director/editor of selected episodes. Used Claude for prompts, Nano Banana 2 and Seedream for scenes, and Kling and Seedance for image-to-video generation, following character/location approval.

Dad-Style Evolution | Myntra
AI video pipeline for an AI-led Father's Day fashion film.

Additional work: comedy and OTT trailer editing; post-production portfolio across Cashfree, OPPO, WhatsApp, OnePlus, Netflix India and Plum.

SOFTWARE

Adobe Premiere Pro | Adobe After Effects | Adobe Photoshop
AI tools: Claude | ChatGPT | Midjourney | Nano Banana / Nano Banana 2 | Seedream | Seedance | Kling | Wan
Select models according to the creative brief and desired output.
